5. Once we get the proof of payment of the tuition fee, we will help you fill the visa application and arrange for an appointment with the Hungarian Embassy for the visa and inform you of the documents required.

After arriving in Budapest:

Preparatory Classes for Placement Test

Preparatory Classes will be organized in Math and Physics to help the applicants to prepare for the Placement Test.

Placement Test

Students must write placement tests in Mathematics, Physics and English and Freehand Drawing for Architecture students. Students found to have inadequate skills in Mathematics, Physics or English will be directed to the one year Preparatory Course before the B.Sc. programs.

Prepare for the test in Mathematics and Physics: <https://alfa.bme.hu/?lang=en>

Registration

After the announcement of the results of the placement test students must register at the Central Academic Office of the university. EU citizens should present EU Health Insurance Card at registration to apply for residence permit for study purpose in Hungary.

Central Academic Office of the Budapest University of Technology and Economics: <http://kth.bme.hu/en/>

Orientation Program

For all newly enrolled students (Pre-Engineering Course and General Course in Architecture, B.Sc., M.Sc., and Ph.D. as well as for exchange, study abroad and transfer students) an orientation program will be organized at the beginning of the semester. The orientation program includes introductory lectures, access to the Internet, visit the Library and a sightseeing tour.
